## (PAPER PRESENTATION)

### RESEARCH AND REVEAL

Dive into the realm of research and  
present your visionary concepts.  
Impress judges with your knowledge  
and passion for new discoveries.

**26** MARCH  
2025

**Starts At  
10:30  
AM**

**Faculty Co-ordinator**

**Mrs. I. Raja rajeswari AP/EEE**

# CIRCUIT CRAZE

## DESIGN AND DOMINATE

Power up your brain and tackle electrifying circuit challenges. Design, debug, and dominate in this ultimate test of electrical skills.

**26** MARCH  
2025

### Round-1

Starts At  
**10:30  
AM**

### Round-2

Starts At  
**01:30  
PM**

Faculty Co-ordinator

**Mr. D. Karthick AP/EEE**

# CIRCUIT CRAZE

## Event Structure:

- This is an individual participation event. Team participation is not allowed.
- The event consists of two rounds.

## Round 1: Circuit-Based MCQs – Round – (30 minutes )

- This round consists of 30 multiple-choice questions related to circuit concepts.
- The questions will test participants on circuit fundamentals, components, and basic troubleshooting.
- Participants must complete the MCQs within the given time.

## Round 2: Breadboard Wiring Challenge

- Qualified participants from Round 1 will proceed to this round.
- The required components for the circuit will be provided.
- Participants must complete the given circuit within the specified time.
- The accuracy and functionality of the circuit will be evaluated.

## General Rules:

- Only registered participants will be allowed to compete.
- Involvement in malpractice will lead to immediate disqualification.
- Participants must follow all event guidelines and instructions given by the organizers.

**THE FACULTY CO-ORDINATOR AND THE EVENT CO-  
ORDINATOR'S DECISION WOULD BE THE FINAL  
DECISION**

# CODE ARENA

## CODE & CONQUER

Enter the battlefield of logic, where your coding skills will be your weapon. Outthink, outcode, and outlast your competitors in this intense programming showdown.

**26** MARCH  
2025

### Round-1

Starts At  
**10:30  
AM**

### Round-2

Starts At  
**01:30  
PM**

Faculty Co-ordinator

**Mr. G. Vinoth AP/EEE**

# CODE ARENA

## Event Structure:

- This is an individual participation event. Team participation is not allowed.
- The event consists of two rounds.

## Round 1: Multiple-Choice Questions (MCQ)

Round – (30 minutes )

- This round will test participants on fundamental C programming concepts.
- The round will be conducted in a written format.

## Round 2: Live Quiz (Online)

- Qualified participants from Round 1 will compete in a Live Quiz.
- The quiz will test C programming knowledge, logical thinking, and problem-solving skills.
- Participants will answer questions in real-time, and scores will be based on both correctness and response time.
- The participant with the highest score at the end of the quiz will be declared the winner.

## General Rules:

- Only registered participants will be allowed to compete.
- Involvement in malpractice will lead to immediate disqualification.
- Participants must follow all event guidelines and instructions given by the organizers.

# LINE FOLLOWER

## TRACK AND TRIUMPH

Build, code, and let your robot navigate its way to victory. Precision, speed, and strategy are your keys to dominating the track.

**26** MARCH  
2025

Starts At  
**10:30  
AM**

Faculty Co-ordinator

**Mr. D. Karthick AP/EEE**

student Co-ordinators

**M. Jeyasurya III/EEE**

**+91 76049 61542**

**V. Arikaran II/EEE**

**+91 90806 48383**

# LINE FOLLOWER

## Event Structure:

- This is a team event with a minimum of 2 members and a maximum of 4 members per team.
- Each team must bring a valid college ID as proof of participation.
- One team = One robot (A team can represent only a single robot in the event).

## Bot Specifications:

- Maximum dimensions: The robot must not exceed  $25 \times 25 \times 25$  cm.
- The robot must be fully autonomous (No manual control allowed).
- Battery requirement: The battery must be sealed and should not exceed 12V DC.
- Sensors: Any type of sensor can be used for line sensing.
- Arena Safety: The bot must not damage the track or surroundings. Any such incident may lead to disqualification, with the event coordinators' decision being final.
- The robot's design and construction should primarily be original.
- Penalty for ready-made kits: Using pre-built kits will result in a +20 second penalty.
- Clarifications: Any design-related doubts must be cleared before the event with the coordinators.
- Pre-event checks: All robots will be inspected for rule compliance before the competition. Non-compliant robots may be disqualified.
- The decision of the event coordinators and referees is final.

## Arena Specifications:

- The track line thickness will be approximately 25 to 30 mm.
- The final track design will be revealed on the event day.

## General Rules:

- Participants must follow all event guidelines and instructions given by the organizers.

# CONNEXIONS

## FUSE AND FIND

A race against time to complete the circuit and spark brilliance. Showcase your knowledge of electronics by making the right connections under pressure.

**26** MARCH  
2025

### Round-1

Starts At  
**02:00  
PM**

### Round-2

Starts At  
**02:30  
PM**

Faculty Co-ordinator

**Mrs. J. Madheswari AP/EEE**

student Co-ordinators

**R. S. Prashanth III/EEE**

**+91 98433 66621**

**C. Gowtham II/EEE**

**+91 93455 78879**

# CONNEXIONS

## Event Structure:

- This event allows both individual and team participation (Maximum 3 members per team).
- The event consists of two rounds.

## Round 1: Rapid Fire

- Each question will be displayed for 30 seconds.
- Participants/teams must identify the correct word based on the given images.
- Participants/teams with the highest scores will qualify for Round 2.

## Round 2: Identify the Logo

- Partial logos will be shown to the participants.
- Participants identify the brand/company names
- Faster responses will earn higher points.
- The participant/team with the highest score will be declared the winner.

## General Rules:

- Only registered participants will be allowed to compete.
- Involvement in malpractice will lead to immediate disqualification.
- Participants must follow all event guidelines and instructions given by the organizers.

# PHOTOGRAPHY

## Event Structure:

- This is an individual participation event.
- Participants must capture on-spot photographs within the event premises.
- The event will take place from 10:30 AM to 2:00 PM.

## Photography Guidelines:

- Only mobile photography is allowed (No DSLR or other cameras permitted).
- Participants can only photograph symposium events (Capturing images outside the event areas is not allowed).
- Editing is strictly prohibited (Only raw images must be submitted).
- Plagiarism is not allowed (Participants must submit their original work).

## General Rules:

- Participants capturing images outside the event area will be disqualified.
- The decision of the event coordinators is final and cannot be changed.
- Participants must follow all event guidelines and instructions given by the organizers.

**THE FACULTY CO-ORDINATOR AND THE EVENT CO-ORDINATOR'S DECISION WOULD BE THE FINAL DECISION**
